

# The CIVIC MIRROR FREE TRIAL

## OVERVIEW OF FREE TRIAL OPTIONS

ACTION-ED IS OFFERING A **30-DAY FREE TRIAL** OF *THE CIVIC MIRROR*. THERE ARE **2 WAYS** YOU CAN RUN IT WITH YOUR STUDENTS:

### OPTION 1 - QUICK CIVIC MIRROR (2-5 lessons)

#### DESCRIPTION

*Quick Civic Mirror* allows educators to try the program in 2 to 5 lessons. This module is built around the *Practice Run* event, giving students the chance to buy, sell, and trade with one another using the *civictimirror.com* program. It comes with PDF guides that not only include the game rules, but also a 2-3 lesson reflection activity that challenges students to think about “Choices and their Consequences on Others and Society.”

After the *Practice Run* (lesson 2, see the ★ above), an instructor has 3 choices:

1. Continue on with the full program (see next option).
2. Use the 2-3 reflection lessons on “Human Choices and their Consequences” to make the most of the experience.
3. Stop and move on to something else.

### OPTION 2 - FULL PROGRAM FOR 30 DAYS (10- 20 lessons)

#### DESCRIPTION

Or you can use the full *Civic Mirror* program with your students for 30 Days for FREE! The full program takes at least 10 to 12 classes to run, although most educators like to run it a bit longer (it’s tough to go without it afterwards).☺ By using the full program for 30 days, a few great things can happen:

1. **Incredible Learning Opportunities:** Your students will learn about law, government, the economy, and the rights/responsibilities of democratic citizenship by experiencing these things themselves in their own simulated country.
2. **CM Pioneer Status:** By completing one simulated year with your students you can earn “*Civic Mirror Pioneer*” status from Action-Ed, getting grandfathered in at an entry-level price for at least two more school years.
3. **Showcase:** You can invite other educators, administrators, and district specialists into your classroom to showcase what your students are doing ... on their own!
