## Part B: Manuals

The CM Manuals are essential for successful use of the program.

To help with costs, we allow schools to make their own copies of the PDF Draft Manual for FREE; however, the published are *much* nicer, easier to use, re-issuable, and a cheaper option over the long run.

To order published manuals complete the details below:

Published Student Manuals (\$13.95 each) x \_\_\_\_\_ (desired quantity) = \$ \_\_\_\_\_

Published Instructor Manuals (\$129.95 each) x \_\_\_\_\_ (desired quantity) = \$ \_\_\_\_\_

No thanks, we'll use the PDF Drafts for FREE

**Total:** \$ \_\_\_\_\_ + \$ \_\_\_\_\_ + \$ \_\_\_\_\_ = \$ \_\_\_\_\_
